Customer Reviews

No black dinner. No stew chicken with rice and beans. No potato salad. No cow foot soup. A wedegwanya? As a Belizian American this isn't cutting it. I sent this back. The outside of this book looks better than the inside. We can do better than this.

I skimmed through this book....while reading about the author I was trying to figure out how could someone NOT from Belize create a Belizean cook book.. come to find out there are NO real Belizean recipes in this book....these are made up dishes!! Don't even waste your time....just use google or ask BELIZEAN friends and family!!
