I got it in the mail and it came in a nice case which I enjoyed. I love the feel and how heavy it is. When I got it, I immediately washed it and tested it out and it cut through some peppers like butter. I really liked it. i need it , great, helpful. Very well.

I had high hopes for this book but sent it back almost immediately. I was looking for something I could flip through easily to spot a few fun places to visit. I felt that the book either didn't have what I wanted or it wasn't easy to find.
