Golf Rules Quick Reference 2016: Single Copy

Synopsis

The world's best-selling golf book - multi-award winning, recommended by golf associations and more than 1.5 million copies sold. This pocket guide provides instant help in clearing up hazy situations involving the often confusing Rules of Golf. The handy, plastic-coated flip guide answers every rules question at a glance, as each rules situation is illustrated (more than 170 illustrations). The user-friendly booklet, written in easy-to-understand English, is organized into eight sections, just as a course is layed out, among them "Tee," "Fairway and Rough", "Bunker", "Water Hazard" and "Green". To sum it up, an essential companion on the course. With the rules valid through 2019.

Very cleverly done!!! Instantly usable. Takes all the mystery out of the rules and shows you how to

apply them given the situation you are in on course. The only downside is they have a hard copy version and an iPhone app each at about \$10. I wish I'd know about the app before I bought the hard copy. Since they didn't tell me up front about the app, I paid for the hard copy. When I found out about the app I request a swap and my request was denied. Just pay again for the app was their answer.

The best quick-reference I've ever used! I purchased this as a replacement for the prior edition as the current edition includes 2016-2017 rules updates.

As a golf coach, this is an invaluable resource for all of my golfers. The tabs are fantastic for quickly finding something. We had a tournament where a golfer hit a ball off a tree and it came back and bounced off the club he was holding. A couple coaches were convinced he should get a 2 stroke penalty for it. I had this book on me and quickly looked up that it is only a 1 stroke penalty. It is well worth the money, and will likely teach almost all golfers something they didn't know or forgot.

Great tool to have in your golf bag when questions arise. Recommended.

Great resource for the course - especially for a newer player like me.

It is like the Cliff Notes for the rules of golf. It is made out of heavier paper and laminated to protect from the weather. I'm recommending it to my rules partners.

I keep this in my golf bag- helps with quickly referencing golf rules. I'm a beginner so really helpful.

Ordered two and now my husband and I each have one in our golf bag so in case any one questions a move, we have the rule book with us. It really came in handy a couple weeks ago playing golf.
