Every night, as we tuck our six children into bed, we are asked, 'Can I have my blessing now?' As our babies grow up into young adults, they are continually reminded by their family blessing that they are loved by God, delighted in by their parents, and have a rich future awaiting them as followers of Christ. The tradition of a 'Family Blessing' as Rolf shares in this book, has become a priceless and vital part of our daily lives. --Kirk and Chelsea Cameron - Co-stars of the nationally syndicated hit, *Growing Pains* --This text refers to an out of print or unavailable edition of this title.

Rolf Garborg, father of two and grandfather of five, invites you to explore the transforming power of blessing your children. Within this book, find great ways to actively communicate God's love to the heart of the little one you love. --This text refers to an out of print or unavailable edition of this title.

We started saying a blessing over our kids each night before bed (over a year ago), thanks to advice from a friend and this book. The kids love getting their blessing, and have come to ask for it,

if we forget.

"A simple parental act that will help your children feel loved and cherished" says the cover of "The Family Blessing" by Rolf Garborg. The book deserves to be read by every parent. Garborg tells how through prayer, parents can improve and ensure their relationship with children of almost any age, even teens or adult "kids." This is practical religion at its best. And after reading it, you might even want to buy a second copy to give to a friend, relative, or neighbor. It's that good!

I bought two for gifts. I hope the families they were given to, use them. Personally I think it is a wonderful message in the book and I think all families would benefit from reading this book. We do have one ourselves, and we like to give them as gifts.

A great resource for young families and grandparents.

This is an outstanding book. Every person who loves a child should have it.

This book has changed how we do bedtime! It changed how we pray for our kids and I Love to bless them everynight with God's Word in a blessing form. If we forget, the kids remind us to "Bless" them. I pray a blessing over the kids at school drop off too. Thanks for this book!

Really enjoyed this book. Still read it again.
