# Drowned City: Hurricane Katrina And New Orleans (Ala Notable Children's Books. Older Readers)

## Synopsis

Kirkus' Best of 2015 list School Library Journal Best of 2015 Publishers Weekly's Best of 2015 list Horn Book Fanfare Book Booklist Editor's Choice On August 29, 2005, Hurricane Katrina's monstrous winds and surging water overwhelmed the protective levees around low-lying New Orleans, Louisiana. Eighty percent of the city flooded, in some places under twenty feet of water. Property damages across the Gulf Coast topped \$100 billion. One thousand eight hundred and thirty-three people lost their lives. The riveting tale of this historic storm and the drowning of an American city is one of selflessness, heroism, and courage—and also of incompetence, racism, and criminality. Don Brown's kinetic art and as-it-happens narrative capture both the tragedy and triumph of one of the worst natural disasters in American history. A portion of the proceeds from this book has been donated to Habitat for Humanity New Orleans.

## Book Information

Lexile Measure: GN920L (What's this?)

Series: Ala Notable Children's Books. Older Readers

Hardcover: 96 pages

Publisher: HMH Books for Young Readers (August 4, 2015)

Language: English

ISBN-10: 054415777X

ISBN-13: 978-0544157774

Product Dimensions: 6.6 x 0.5 x 10.2 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 38 customer reviews

Best Sellers Rank: #75,740 in Books (See Top 100 in Books) #2 in Books > Teens > Education & Reference > History > United States > 21st Century #2 in Books > Teens > Education & Reference > Science & Technology > Disasters #2 in Books > Teens > Literature & Fiction > Comics & Graphic Novels > History

Age Range: 12 and up

Grade Level: 7 and up

## Customer Reviews

Gr 7 Up •A murky watercolor storm spreads across pages, darkening and becoming more ominous as it builds in Brown's deeply affecting look at Hurricane Katrina. Dynamic sketches

capture shocking scenes, such as residents fleeing down claustrophobic highways as the 400-mile-wide storm looms in a nearly completely dark spread. Brown depicts broken levees, flooded homes, and inhabitants scrabbling to not drown in their attics. A stunningly powerful spread shows water everywhere and two lone people trapped on a roof. The images demonstrate the utter devastation and despair while the at times spare text powerfully reveals the voices of the victims. The many failures of President Bush, the Federal Emergency Management Agency (FEMA), Mayor Ray Nagin, and others are repeatedly noted, as is the heroism of various organizations and ordinary people. Brown walks readers through the ghastly conditions at the Superdome, the horrors of hospitals with no electricity, and the nightmarish reality of dead bodies everywhere. The story becomes grimmer at every turn: ineffectual police and rescue efforts, looting, the lack of housing for rescued victims, and 5,000 missing children. The muted watercolors effectively capture the squalid and treacherous conditions of every inch of New Orleans. The final pages show the rebuilding efforts but note the lasting effects of vastly decreased populations. **VERDICT** This astonishingly powerful look at one of America's worst disasters is a masterful blend of story and art and a required purchase for all libraries.                                              

This book is a good way for adults and kids to learn about hurricane Katrina and the damage caused. Also on how people had to live at a time like that.

Great book, wonderful format, easy to read and understand.

Heartbreaking and beautiful account of Katrina and the people and the city caught in its wake.

Incredible book. Warning, it's sad and has some really sad pictures, but it's very good and I think people need to be reminded of what happened.

love the graphics; easy to read and a higher likelihood of getting kids to read and learn about this event.

Very nice, informative, illustrative, an descriptive. Not too long or short. Good job.
