All of the Ilyas & Duck books are well done. They are all beautiful hardcover books, complete with book jackets, that teach Islamic values. The first teaches the Muslim understanding of God; the second teaches about the Muslim holiday of Eid al-Fitr, which ends the month of Ramadan with a three-day feast/celebration; and the third book, this one, teaches about the third pillar of Islam (requirements to be Muslim), charity (a.k.a. Zakat) - the other four being 1) profession of faith (a.k.a. Shahada), 2) daily prayers (a.k.a. Salat), 4) fasting during Ramadan (a.k.a. Sawm), 5) pilgrimage to Mecca (a.k.a. Hajj) at least once in a lifetime if possible, also during the Islamic month of Ramadan (if done outside of that month it is called Umrah and not quite as strong of a religious reward as otherwise). It is told in a very child-friendly manner with humor and gentle guidance. Keep your eyes peeled for the next book in the series, as it is sure to be a real treat as well.

I got bored reading this book to my 3 years old. Am not sure it's for her age yet as I felt that the words weren't so easy for her to understand yet or even explain to her what they mean.

The best of the best ... my 5 years son love all 3 Ilyas and duck book ... he read them almost everyday.. waiting for the forth book I'm a believer ãfâ ã Åã Æœã Â•

We LOVE Ilyas and duck books. For once great illustrations, relatable characters with everyday vocabulary children these days can understand. Very cute and can really hold my 6 year olds attention.

bought the other two books by this seller. Easy read with my 4 year old and concepts she can understand. Well worth the money don't hesitate to buy!

My son has been waiting for the next Ilyas and Duck book, and it is finally here! It is told in classic I & D style with some humor but a very strong message about being selfless in this world and doing good deeds and helping others. I am always lecturing my son about these things but it is another thing to have this come to life from a book. Now he is waiting for the next book!

Such a great gift! I always gift this to people for baby showers or to young toddlers and it's always a big hit!

Another great book by Mr. Khawaja. My children loved it as they loved the other two Ilyas & Duck books although some of the wealth redistribution segment should be shared with people of all ages!
