A full-blooded Irish lass, Mary M. Bauer was born and raised in Lutfisk Country. She and her husband jumped the state line over a dozen years ago and bought a Wisconsin dairy farm. Her two children ran off to college, then found careers, to avoid baling hay and fence painting. A former nurse and interior designer, Mary began her writing career as a weekly columnist for a regional newspaper. She discovered ranting in public and getting paid for it is a lot of fun. She is also the author of Adventure Publications "Minnesota Day Trips by Theme." Besides family, her major loves are traveling, hiking, books, decrepit Christmas decorations, and Reese's Peanut Butter Cups. She is a dog and cat person, and is thinking about adopting a pig." --This text refers to an alternate Paperback edition.

Great book. I like how it is sectioned by interests such as waterfalls, museums, geology, cheese houses etc. Can't wait to explore some of these places!

A really wonderful selection of things to do in Wisconsin. I like the way they are organized, and the colored tabs on the sides of the page make it very easy to get to the section of interest.

Lots of ideas. We'll be exploring for at least a year.

This book is a great resource. Lots of fun things to do and visit in Wisconsin. We are going to use this book to find 'hidden treasures' in our state.

Not what I was expecting. No maps or specific driving directions
