Customer Reviews

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

Best pocket guides available, because they are the smallest, and actually fit in an actual pocket - imagine that. Have a map in back you can mark up, several blank pages to write your itinerary in. More "contemporary" than most guides, many average tourists won't like. Younger people may. We did.

This has to be the worst travel guide. I bought it based on location instead of research. I got this guide and knew it was bad when it has a picture of a Hilton Hotel over the Aropolis in the landmark section. The map, a joke, is a city scape with arrows pointing where the site are. Lots of pictures and no content, do not buy.
