Crescendo!, Binder Ready Version: An Intermediate Italian Program (Italian Edition)

Synopsis

Crescendo!, 3rd Edition is a comprehensive intermediate Italian program designed to build proficiency in all four language skills (listening, reading, speaking, and writing), and to expand students' cultural knowledge of contemporary Italy. The Crescendo! program helps build a dynamic and interactive environment by providing opportunities for practice through a systematic and spiral presentation of themes and current issues that are both relevant and interesting, and by encouraging readers to express themselves freely and creatively in a wide spectrum of contexts. This text is an unbound, three hole punched version.
