I received my shipment quickly and in excellent condition. Dave's lessons will change your life. They changed mine about three years ago and now I am sharing them with my friends. Thanks, Dave!

Excellent series on finances. Listen to it and verify it for yourself. This is not a get rich quick scheme, this is real financial peace brought through hard work and sacrifice.

Each disc is not very long but not too short either I guess. The information in these lessons is very helpful. Sometimes I think it would be better if they were DVDs because some of the things he talks about is apparently shown during the conference. I wish it came with the worksheets as well. Overall, these cds are very helpful.

This was great! I enjoyed every minute! Dave Ramsey definitely knows his stuff.

Best financial advice around.

Love it , great investment

Quickly arrived as described!

This was not only enlightening but very entertaining. Although, I would not follow his investing advice, he offers some great strategies for paying down debt.
