Exactly what was needed.

Satisfactory.

The book arrived in very good condition and great price!

This book was purchased for my daughter, for her Spanish course, I need some refresher help myself, and feel I will probably use it myself. Book looks like good quality materials were used, and arrived in perfect condition; great job.

Outstanding historic language textbook, maybe a dying breed because of technological advances, but very much worth the obvious effort.

Bought a used one. Pretty beat up.

this book is of high quality and shipped very fast

book was in excellent condition! thanks!
