# The Eleuthera Beach Map - Eleuthera, Bahamas

## **Synopsis**

The ultimate map to ALL of Eleuthera, Bahamas 135 beaches. It also contains GPS coordinates to all of the beaches and roads, beach and road ratings, pictures of the highest rated beaches, and detailed information about landmarks to help you safely navigate to each beach. Some who have never been to Eleuthera, or to the Bahamas, may wonder why they need such a map. Picture a charming tropical island, but one without signs, clear landmarks, and many well-paved roads. Most of the beaches are accessible, but only if you know how to get there. The roads are often nothing more than rough pock laden trails cut through dense jungle brush. Planning your trip is important so that you understand the conditions and travel times. Even the more well known beaches can be tricky to find. And, with 135 choices, you want to choose the best. Why, then, would anyone go to so much trouble to find one of these hidden beaches? Because often at the end of your journey is pure majesty. Having miles of pristine sand and ocean completely to yourself with unique geographic formations, exquisite snorkeling, and extreme privacy is well worth the effort. Learn from us so that you can plan, arrive safely, and enjoy the splendor that is an Eleuthera beach.

Good map but we found better maps on the island with much more details and information. They have them at island farms.

much, much more information than I ever expected from any map. clear and concise markings on a huge fold-out map. a must have when touring Eleuthera!!!

A must if you are heading to Eleuthera! Awesome map for getting around the island and seeing some of the remote beaches.
