Customer Reviews

New York Times bestseller Summer 2012 Kids' Indie Next List New York Times Notable Book* "Off-kilter fun for those who like their picture books (and salsa) zesty and fresh." Publishers Weekly, starred review "Dragons Love Tacos is a heaping helping of silly. Little kids will relate to the anti-spicy bias and chuckle over Salmieri's watercolor and gouache cartoon illustrations showing literally boatloads of tacos and all sizes of dragons enjoying their favorite food at pool parties, costume parties and, well, taco parties." San Francisco Chronicle "The perfect book for kids who love dragons and mild tacos." Kirkus Reviews "The watercolor, gouache, and colored pencil cartoon illustrations are the real stars here. Regardless of, or perhaps because of, the absurdity of the story, this tale should be a big hit with

anyone with an affinity for dragons." — School Library Journal

I pre-ordered this book set because I thought my son would love it. Dragons? Awesome! Tacos? Awesome! It will be a Christmas present. It arrived neatly packaged and within two days of the release date. It looks just like the picture, very pleased with my purchase. The dragon is adorable and I can't wait to read him the book. Thanks!

18mo loves the toy & if you're Dramatic enough, enjoys the story.

Gave as a present to almost three year old. While dragon is small, it's ridiculously cute and perfectly proportioned for this age. Book is hilarious, but I like silly humor. Happy with my purchase.

I purchased this not once but three times now - twice for birthday presents and they're a hit each time. It's also my daughter's new favorite book and is referenced at least once a day. The plush doll — I mean what do people think when they don't know the story? Hilarious.

My son loves this book. We ordered this set for his friend's 2nd birthday and it's so cute! The plush is adorable and it made a nice gift.

One of three year olds favorite. Wants it read over and over. Talks about it constantly if we have tacos for dinner. Fun for me too.

I bought this book for my cousin's baby shower. My daughter loves her copy and now I will gift this book whenever I can. It's so cute!

My adult daughter told me about this book I just had to have a copy for my grandchildren. Getting the plush dragon was a wonderful touch!
