Customer Reviews

Way more "activities" than things to color.

This oversized coloring book is sure to be a huge hit with my little great nephews who not only love to color but also love their DC Super Heros. A great value, great price for so many pages of coloring!

My four year old grandson is into Batman, (what little boy isn't?). This was a perfect piece to round out his Batman bike helmet and his new Razor

Fast delivery and product came as described. I can only recommend it. The book was actually pretty thick, which surprised me. Worth every dollar!

gift

Kids like this stuff. It's a great filler gift when you don't have a lot to spend.
