Gwendolyn Forgiven Bride (Young Love Historical Romance Book 2)

Synopsis

Orphaned Gwendolyn knows she will be thrown to the street on her 18th birthday – just one year away. All she dreams of is to be part of a loving family, and know and marry a man who will truly cherish her. When naïve Gwen is convinced to run away with smooth talking Oscar Hunter her longing for love blinds her to his true intentions. Abandoned as a child, she is now abandoned again by the man she thought she loved. It is only the kindness of an elderly Christian mother traveling on the same westbound train that saves Gwendolyn from utter despair. The miracle of forgiveness opens a door that leads to a future and a marriage that Gwen could never have dreamed possible. Gwendolyn's miraculous story is just one of the amazing tales of Young Love Historical Romance by #1 bestselling clean Christian romance author, Terri Grace, and co-author, Misty Shae. Each story is a great read in itself, and can be read alone, or even better read them all as part of this one-of-a-kind series.

Customer Reviews

A really wonderful book, I have enjoyed reading it very much, I'm sure anyone of you would really like this book as well. Try it, you'll enjoy this book.

I gave this novella five stars. It was easy to read and the storyline was well developed. A novella can not go into as much detail as a full novel but the author was able to put in enough back story that the reader understood the character's good and faults. Faith was also incorporated in the story. I hope you enjoy reading this story by Terri Grace and Misty She.

As usual I am rating it 5 star's!!!! I hope you will enjoy this book as well!!!! The author has a vivid imagination and shares her talent with us!!!!

The author has done a great job of keeping the characters in the action. The story has some cute twists that keep the story moving.

A very good story about a young woman that runs away from a orphanage and travels west and finds love

This book was an easy read with heartfelt thoughts on all of the characters and their feelings. Very well written with some unique fresh twists and turns. The family was well thought out. Fantastic!!

This is a nice story.
