good.

My grandson liked it very much; He also liked all the other 20 books that I bought of Wicked History

Love these books for a short, quick overview!

I had never heard of this man until now. He was a very greedy man in all actuality, but as to if he actually knew the goings-on of the Congo Free State, it doesn't emphasize; hence the 4 stars... If it DID actually tell, I don't seem to remember. I might read it again to clear up my confusion. If it did tell

if he knew what went on, give it 5 stars.
