I purchase this for my elderly mom. I'm sure she likes the fact that I was able to find this in Spanish her native tongue.

Si se pueden!

Great product

well

I bought these for my grandfather as a late Christmas present, as he is aging and could use extra tools to practice and retain his Spanish. He's found these puzzle books "challenging" and fun.

I gifted these to my grandma and mother in law and they loved them. Each page has verses from

the bible with the hidden words in bold within the verse. They enjoy it!

Bought this for my mom who is very religious. She loved the Bible-themed word soup and since it is a bigger book, it'll keep her entertained for weeks.

Bought it for my mom and she loved it.
