THIS cookbook is your initial cookbook given out these days. I'm selling it for very cheap in case anyone wants to try WW without actually joining and paying the weekly fees.

I borrowed this book from my brother-in-law two weeks ago when my husband and I joined Weight Watchers' for the first time. Then my brother-in-law joined again. I guess I better return the book, but first I started marking recipes to copy first. There were so many that I decided to buy the book. We just had the Manhattan Clam Chowder tonight, and it was delicious. I got the idea to eat low-fat graham crackers with marshmallow fluff from this book, and it has given me a chance to have a sweet treat when I only have a couple of points left at the end of the day. I'm looking forward to trying some more recipes. I am learning about more spices this way too. I never took the time when we ate my same old recipes over and over. Happy healthy eating!
